By signing you are giving permission for your personal information to be tabled with this application at a public meeting.

Application Process

As part of the application process a site visit will be conducted to ensure the accuracy of the information provided by the applicant as well as compliance with the Town's policies/regulations.

- Prior to submitting the application, the applicant will be required to mark the area of the proposed development on the property for the purposes of a site visit to be completed by Town staff. Markings must reflect the measurements/dimensions of the proposed structure as included on this application.
- Once the application is received by the Town, a site visit/inspection may be conducted at any time prior to the public meeting.
- Information collected during the site visit will be included with the application for Council's review and consideration at the regular monthly public meeting.

If the application is approved:

- The applicant will be notified of approval and any specific conditions that may be required as part of the development.
- Once the conditions have been met, the applicant can arrange for payment of any applicable fees, deposits and/or outstanding taxes and the permit will be issued.
- Once the permit has been issued, and site work has commenced, the town may perform an inspection to ensure that the conditions attached to the permit and the towns policies/regulations are being met.
- Failure to comply with the conditions of the permit and/or any town policies or regulations may result in a "Stop Work Order" being issued.

If the application is denied:

- The applicant will be notified that their application has been denied.
- The applicant will have the option to file an appeal with the Eastern Regional Appeal Board.
- The applicant may choose to submit a new application. The new application must contain new information or a material change to the proposed development.

Appeals:

- Any interested party has a right to appeal a decision of Council to the Eastern Regional Appeal Board Department of Climate Change, Environment and Municipalities, P.O. Box 8700, St. John's NL A1B 4J6, within 14 days of the date of the decision.

Signing of this document provides acknowledgement that you have read and understand the requirements of the ATIPPA legislation as well as the Town's application and permit process.
